KCMBA Announces Official Banking Partner, Enterprise Bank & Trust

Kansas City Metropolitan Bar Association (KCMBA) is pleased to announce the newest Platinum-level partner in its Affinity Partner Program, Enterprise Bank & Trust. At this level, Enterprise Bank & Trust enjoys the exclusive status as the Official Banking Partner of KCMBA.

KCMBA's Platinum Affinity Partners meet strict requirements to participate in the program. KCMBA Executive Director Vickie Mauck said, "At the Platinum Level, our partners provide the highest degree of customer service, integrity and product quality. Therefore, only our Platinum Affinity Partners receive the endorsement as KCMBA's official partner of their category of goods or services. KCMBA's Platinum Partners endure thorough vetting by our staff, Executive Committee and Board of Directors to ensure we are bringing our members reputable companies and valuable services. While each partner is individually responsible for delivery of their goods or services, KCMBA gives its strong support to each of these businesses and the role they play in our legal community. We believe our members will enjoy and benefit from doing business with Complete Legal through this special partnership."

Enterprise Bank & Trust offers a range of business and personal banking services, including specialized deposit services for legal and professional fiduciaries. Their specialty deposit services include escrow account services, Deposit Account Control Agreements, Debtor in Possession, and receivership accounts.

KCMBA President Nate Orr encourages the legal community to consider Enterprise Bank & Trust for their banking needs, "The specialized deposit services offered by Enterprise Bank & Trust provide private-banking level service to accommodate the unique requirements of legal professionals. We encourage our members to do business with them."

"Our dedicated team of experts focused on legal accounts helps our clients free up time otherwise spent on administrative tasks like opening and monitoring accounts," says Jermee Jones, Vice President of Business Development at Enterprise Bank & Trust. "Clients can also rest assured that these accounts are compliant with all relevant rules and laws."
