Alaris Continues as the Official Litigation Partner of KCMBA

Kansas City Metropolitan Bar Association is pleased to announce the renewal of its Platinum Affinity Partnership with Alaris, the Official Litigation Partner of KCMBA.

KCMBA President Nate Orr commented, "We are thrilled to be moving into another contract year with Alaris and are so grateful for our strong relationship and the opportunity to work alongside such talented people. We enjoy even more the ease of recommending Alaris to our members as a reliable, diligent and innovative service."

At the Platinum level, Affinity Partners provide the highest degree of customer service and product quality. KCMBA's Platinum Partners endure scrutiny by staff, Executive Committee and Board of Directors to ensure members are presented with reputable companies and valuable services at a fair price. For this reason, they receive the endorsement as KCMBA's 'Official' provider of their category of goods or services.

Debbie Weaver, owner and chief executive officer of Alaris said, "We are excited to continue our partnership with KCMBA and extend our support to such a reputable organization within the legal community."

"Alaris is known for providing the highest levels of customer service and its innovative and solution-based approach to meeting and exceeding its clients' expectations. Alaris is a leader in the legal industry due to its expertise but also by giving back to the communities it serves. KCMBA proud to continue its exclusive partnership with this fantastic company," said KCMBA Executive Director Vickie Mauck.

Alaris provides a wide range of litigation-related services and is dedicated to working with law firms, corporations and government agencies to meet all of their litigation needs nationally and globally. With seven regional offices, including Kansas City and its headquarters in St. Louis, and over 250 nationwide affiliate partners, Alaris provides 24/7/365 customer support to meet all litigation needs across the globe.
