ABOUT THIS POLICY
This policy is our contract with you. Please read it carefully. We have tried to make it simple and easy to understand while also clearly describing the terms and conditions of your coverage. We also recognize that insurance can be confusing, so if you have any questions, we are available 24 hours a day, 365 days a year. Just visit us online or give us a call. And if your travel arrangements change, please be sure to let us know so we can make any necessary updates to your policy.

This policy has been issued based on the information you provided at the time of purchase. We will provide the insurance described in this policy in return for payment of the premium and your compliance with all provisions of this policy. You will also notice that some words are italicized. These words are defined in the “Definitions” section. Headings are provided for convenience only and do not affect your coverage in any way.

WHAT THIS POLICY INCLUDES AND WHOM IT COVERS
This travel insurance policy covers only the specific situations, events, and losses included in this policy, and only under the conditions described. For this reason, it is known as a “named perils” policy. Please review this policy carefully.

Your policy consists of two parts:
1. This policy document (including any amendments and endorsements), which describes the coverages and conditions; and
2. The Declaration of Coverage (“Declarations”), which provides the particular list of coverages, benefits, and individuals covered under your policy.

NOTE:
• If a certain type of coverage is described in this policy document, but it is NOT listed in the Declarations, your policy does not include that coverage.
• Not every loss is covered, even if it is due to something sudden, unexpected, or out of your control. Only those losses meeting the conditions described in this policy may be covered.

OUR PROMISE TO YOU
Since your satisfaction is our priority, we are pleased to give you 10 days to review your policy. If, during this 10-day period, you are not completely satisfied for any reason, you may cancel your policy and receive a full refund. Please note that this refund is only available if the trip has not started and if a claim has not been initiated. After this 10-day period, your premium is nonrefundable.

4. Operates under the supervision of a staff of one or more licensed physicians;
5. Provides 24 hour nursing services and has at least one registered nurse on duty or on call;
6. Has organized diagnostic and surgical facilities, either on the premises or in facilities available to the hospital on a pre-arranged basis; and
7. Is not, except incidentally, a clinic, nursing home, rest home, spa, or convalescent home for the aged or similar institution.

Physical bodily harm.

**Mechanical breakdown**

A mechanical issue which prevents the vehicle from being driven normally, including flat tires or running out of fuel, fluids, or power.

A professional person contracted by our medical team to accompany a seriously ill or injured person while they are being transported. A medical escort is trained to provide medical care to the person being transported. This cannot be a friend, traveling companion, or family member.

**Medically necessary**

Treatment that is required for your illness, injury, or medical condition, consistent with your symptoms, and can safely be provided to you. Such treatment must meet the standards of good medical practice and is not for your or the provider’s convenience.

**Natural disaster**

A large-scale extreme weather or environmental event that damages property, disrupts transportation or utilities, or endangers people, including without limitation: earthquake, fire, flood, hurricane, or volcanic eruption.

**Policy**

**Primary residence**

**Pre-existing medical condition**

2. Presented symptoms; or
3. Required a person to take medication prescribed by a doctor (unless the condition or symptoms are controlled by that prescription, and the prescription has not changed).

The illness, injury, or medical condition does not need to be formally diagnosed in order to be considered a pre-existing medical condition.

For example, a sprained knee you have had treated in the 120 days prior to and including the purchase date of your policy will be considered a pre-existing medical condition. If you later have to cancel your trip because, for instance, the sprained knee now requires surgery, or because your recovery is taking longer than expected, or for any other reason arising out of the knee sprain, this would be considered a pre-existing medical condition.

**Quarantine**

Mandatory confinement, intended to stop the spread of a contagious disease to which you or a traveling companion may have been exposed.
**Reasonable and customary costs**
The amount usually charged for a specific service in a particular geographic area. 1. Rental vehicle companies;
2. Private, chartered, or non-commercial transportation carriers; or

**Travel supplier**
A travel agent, tour operator, airline, cruise line, hotel, or other travel service provider.

**Traveling companion**
A person or service animal (as defined by the Americans with Disabilities Act) traveling with you or traveling to accompany you on your trip. A group or tour leader is not considered a traveling companion unless you are sharing the same room with the group or tour leader.

**Trip**
Your travel to, within, and/or from a location at least 100 miles from your primary residence. It cannot include travel with the intent to receive health care or medical treatment of any kind, moving, or commuting to and from work, and it cannot last longer than 180 days.

**Uninhabitable**

DESCRIPTION OF COVERAGES

In this section, we will describe the many different types of insurance coverages which may be included in your policy. We explain each type of coverage and the specific conditions that must be met for the coverage to apply. If a certain type of coverage is described in this policy document, but it is NOT listed in the Declarations, your policy does not include that coverage.

A. TRIP CANCELLATION COVERAGE

If your trip is canceled or rescheduled for a covered reason listed below, we will reimburse you for your non-refundable trip payments, deposits, cancellation fees, and change fees (less available refunds), up to the maximum benefit for Trip Cancellation Coverage. Please note that this coverage only applies before you have left for your trip.

Also, if you prepaid for shared accommodations and your traveling companion cancels their trip due to one or more of the covered reasons listed below, we will reimburse any additional accommodation fees you are required to pay, such as a single supplement fee from a cruise line.

IMPORTANT: You must notify all of your travel suppliers within 72 hours of discovering that you will need to cancel your trip (this includes being advised to cancel your trip by a doctor). If you notify any travel suppliers later than that and get a smaller refund as a result, we will not cover the difference. If a serious illness, injury, or medical condition prevents you from being able to notify your travel suppliers within that 72 hour period, you must notify them as soon as you are able.

Covered reasons:
1. You or a traveling companion becomes ill or injured, or develops a medical condition.

   The following conditions apply:
   a. The illness, injury, or medical condition must be disabling enough to make a reasonable person cancel their trip; and
   b. A doctor advises you or a traveling companion to cancel your trip before you cancel it. If that isn’t possible, a doctor must either examine or consult with you or the traveling companion within 72 hours after the cancellation to confirm the decision to cancel.

2. A family member who is not traveling with you becomes ill or injured, or develops a medical condition.

   The following condition applies:
   a. The illness, injury, or medical condition must be considered life threatening by a doctor or require hospitalization.

3. You, a traveling companion, or family member dies on or after your policy’s Coverage Effective Date and before your trip.

4. You or a traveling companion is quarantined.

5. You or a traveling companion is in a traffic accident (not including a mechanical breakdown) on the departure date.

   One of the following conditions must apply:
   a. You or a traveling companion need medical attention; or
   b. The vehicle needs to be repaired because it is not safe to operate.
6. You are legally required to attend a legal proceeding during your trip.

   The following condition applies:
   a. The attendance is not in the course of your occupation (for example, if you are attending in your capacity as an attorney, court clerk, expert witness, law enforcement officer, or other such occupation, this would not be covered).

7. Your primary residence is uninhabitable.

8. Your destination is uninhabitable.

9. Your travel carrier cannot get you to your original itinerary’s destination for at least 24 consecutive hours from the originally scheduled arrival time due to one of the following reasons:
   A. A natural disaster;
   B. Severe weather; or
   C. A strike, unless threatened or announced prior to the purchase of your policy.

   However, if you can get to your original destination another way, we will reimburse you for the following, up to your policy’s Trip Cancellation Coverage maximum benefit:
   i. The reasonable cost of the alternate transportation, less available refunds; and
   ii. The cost of any lost prepaid accommodations caused by your delayed arrival, less available refunds.

   The following conditions apply:
   a. Coverage for a strike does not apply when the striking workers are employed by the travel carrier, or an affiliate of the travel carrier, from which you purchased your policy.
   b. Alternate transportation arrangements must be in a similar or lower class of service as you were originally booked with your travel carrier.

10. A terrorist event happens within 100 miles of any U.S. or foreign city you are traveling to during your trip, as indicated on your original itinerary.

    The following condition applies:
    a. A terrorist event must not have occurred within 25 miles of that city any time in the 30 days prior to your policy’s Coverage Effective Date.

11. You or a traveling companion is terminated or laid off by a current employer after your policy’s purchase date.

    The following conditions apply:
    a. The termination or layoff is not your or your traveling companion’s fault;
    b. The employment must have been permanent (not temporary or contract); and
    c. The employment must have been for at least three continuous years.

12. You, a traveling companion, or a family member serving in the U.S. Armed Forces is reassigned or has personal leave status changed, except because of war, the War Powers Act, or disciplinary action.
13. Government authorities order a mandatory evacuation at your destination that is in effect within 24 hours prior to your departure date.

The following condition applies:
   a. Your policy was purchased prior to public knowledge of the event leading to the mandatory evacuation.

**IMPORTANT:** Please refer to your Declarations to confirm your policy includes this coverage, and if so, the applicable limit.

### B. TRIP INTERRUPTION COVERAGE

If you have to interrupt your trip or end it early due to one or more of the covered reasons listed below, we will reimburse you, less available refunds, up to the maximum benefit for Trip Interruption Coverage listed on your Declarations, for:

i. The prorated portion of your unused non-refundable trip payments and deposits.

ii. Additional accommodation fees you are required to pay, such as a single supplement fee from a cruise line, if you prepaid for shared accommodations and your traveling companion has to interrupt their trip.

iii. Reasonable transportation expenses you incur to continue your trip or return to your primary residence.

iv. Additional accommodation and transportation expenses if the interruption causes you to stay at your destination (or the location of the interruption) longer than originally planned. There is a per policy maximum of $250 per day for 5 days.

**IMPORTANT:** You must notify all of your travel suppliers within 72 hours of discovering that you will need to interrupt your trip (this includes being advised to interrupt your trip by a doctor). If you notify any travel suppliers later than that and get a smaller refund as a result, we will not cover the difference. If a serious illness, injury, or medical condition prevents you from being able to notify your travel suppliers within that 72 hour period, you must notify them as soon as you are able.

**Covered reasons:**

1. You or a traveling companion becomes ill or injured, or develops a medical condition.

   The following conditions apply:
   a. The illness, injury, or medical condition must be disabling enough to make a reasonable person interrupt their trip; and
   b. A doctor must either examine or consult with you or the traveling companion within 72 hours of the trip interruption to confirm the decision to interrupt the trip.

2. A family member who is not traveling with you becomes ill or injured, or develops a medical condition.

   The following condition applies:
   a. The illness, injury, or medical condition must be considered life threatening by a doctor or require hospitalization.

3. You, a traveling companion, or family member dies during your trip.

4. You or a traveling companion is quarantined during your trip.

### F. EMERGENCY TRANSPORTATION COVERAGE

**IMPORTANT:** If your emergency is immediate and life threatening, seek local emergency care at once.

Emergency Evacuation (Transporting you to the nearest appropriate hospital)

If you become seriously ill or injured or develop a medical condition while on your trip and we determine that the local medical facilities are unable to provide appropriate medical treatment:

1. Our medical team will consult with the local doctor;

1. Arrange and pay for you to be transported via a commercial transportation carrier in the same class of service that you originally booked (unless otherwise medically necessary) for the return leg of your trip, less available refunds for unused tickets. The transportation will be to one of the following:
   a. Your primary residence;

The following conditions apply:
   a. Special accommodations must be medically necessary for your transportation (for example, if more than one seat is medically necessary for you to travel).

Transport to Bedside (Bringing a friend or family member to you)
If you are told by the treating doctor that you will be hospitalized for more than 48 hours during your trip, we will arrange and pay for round-trip transportation in economy class on a travel carrier for one friend or family member to stay with you.

The following condition applies:
   a. You or someone on your behalf must contact us, and we must make all transportation arrangements in advance. If we did not authorize and arrange the transportation, we will only pay up to what we would have paid if we had made the arrangements.

Return of Dependents (Getting minors and dependents home)

1. Your primary residence; or
2. A location of your choice in the U.S.

Transportation will be on a travel carrier in the same class of service they were originally booked. Available refunds for unused tickets will be deducted from the total amount payable.

   a. This benefit is only available while you are hospitalized and if you do not have an adult family member traveling with you that is capable of caring for the minors/dependents.
   b. You or someone on your behalf must contact us, and we must make all transportation arrangements in advance. If we did not authorize and arrange the transportation, we will only pay up to what we would have paid if we had made the arrangements.

We will arrange and pay for the reasonable and necessary services and supplies to transport your remains to one of the following:
1. A funeral home near your primary residence; or

This benefit does not include funeral, burial, or cremation expenses, or related containment expenses for items such as a casket, urn, or vault.

The following conditions apply:

a. Someone on your behalf must contact us, and we must make all transportation arrangements in advance. If we did not authorize and arrange the transportation, we will only pay up to what we would have paid if we had made the arrangements; and

b. The death must occur while on your trip.

IMPORTANT: The most we will pay for benefits under your Emergency Transportation Coverage is the maximum benefit listed for Emergency Transportation Coverage on your Declarations. Please refer to your Declarations to confirm your policy includes this coverage, and if so, the applicable limit.

G. EMERGENCY MEDICAL/DENTAL COVERAGE

If you receive emergency medical or dental care while you are on your trip for one of the following covered reasons, we will reimburse the reasonable and customary costs of that care for which you are responsible, up to the maximum benefit listed for Emergency Medical/Dental Coverage on your Declarations (dental care is subject to the maximum sublimit listed for Dental Care):

1. While on your trip, you have a sudden, unexpected illness, injury, or medical condition that could cause serious harm if it is not treated.
2. While on your trip, you have a dental injury or infection, a lost filling, or a broken tooth that requires treatment.

The following conditions and exclusions apply:

IMPORTANT: Please refer to your Declarations to confirm your policy includes this coverage, and if so, the applicable limit and any deductible that may apply.

If you need to be admitted to a hospital as an inpatient for longer than 24 hours, we can guarantee or advance payments, where accepted, up to the limit of your emergency medical/dental coverage.
GENERAL EXCLUSIONS

This section describes the general exclusions applicable to all coverages under your policy. An “exclusion” is something that is not covered by this insurance policy, and therefore no reimbursement would be available.

IMPORTANT: You are not eligible for reimbursement under any coverage if:
1. Your travel carrier tickets do not show travel date(s);
2. The travel dates on your Declarations do not represent when you actually intended to travel; or
3. You intend to receive health care or medical treatment of any kind while on your trip.

**PRE-EXISTING MEDICAL CONDITION EXCLUSION WAIVER**

This Pre-Existing Medical Condition Exclusion Waiver describes the circumstances in which a pre-existing medical condition MAY be covered under this policy and NOT excluded from coverage.

Because your policy includes this waiver, you can still be covered for losses due to a pre-existing medical condition if you meet all of the following requirements:

a. Your policy was purchased within 14 days of the date of the first trip payment or deposit;
b. You were a U.S. resident when the policy was purchased;
c. You were medically able to travel when the policy was purchased; and
d. On the policy purchase date, you insured the full non-refundable cost of your trip with us. This includes trip arrangements that will become non-refundable or subject to cancellation penalties between the policy purchase date and the departure date.

If you incur additional non-refundable trip expenses after you purchase this policy, you must insure them with us within 14 days of their purchase. If you do not, those expenses will still be subject to the pre-existing medical condition exclusion.

IMPORTANT: The amount payable for claims for Trip Cancellation Coverage or Trip Interruption Coverage due to a pre-existing medical condition cannot exceed the Pre-Existing Medical Condition Limit listed on your Declarations. Amounts payable for claims under other coverages are subject to limits listed on your Declarations.
WHEN YOUR COVERAGE BEGINS AND ENDS

You are only eligible for coverage if we accept your request for insurance. Your policy’s Coverage Effective Date and Coverage End Date are indicated on your Declarations. The policy is effective on the day after we receive both the order and the full premium. If this policy was purchased by mail, the policy is effective the day after both the order and the full premium are postmarked. The order and full premium must be received on or before the departure date.

In order to be eligible for coverage, losses must occur while your policy is in effect. The maximum policy length is 770 days.

Except for one-way and same-day return trips, the departure date and return date that you provided at time of purchase are counted as two separate days of travel when we calculate the duration of your trip.

Your policy ends on the Coverage End Date listed in your Declarations. However, there are situations where your policy may end on a different date. Your policy will end on the earliest of:
1. The day you cancel your policy;
2. The day you cancel your trip;
3. The day you end your trip, if you end your trip early;
4. The day you arrive at a medical facility for further care if you end your trip due to a medical reason; or
5. The 180th day of the trip.

However, if your return travel is delayed due to a covered reason, we will extend your coverage period until the earlier of when you are able to return to your point of origin or primary residence, or until you arrive at a medical facility for further care following a medical repatriation or trip interruption.

Please note that this policy applies for a specific trip and cannot be renewed.
We believe that filing an insurance claim should not be difficult, that is why we simplified our process and requirements. We hope you like the results!

Before you file a claim, please review your policy details and the Declarations to ensure that your situation meets the criteria for a covered claim. Please note that not every loss is covered, even if it is due to something sudden, unexpected, or out of your control.

In addition to the conditions, limitations, and exclusions specified above, the below general provisions and conditions apply to all coverages under your policy.

**Proof of Loss**
As with any insurance, you are responsible for proving your loss. We require that you:
1. Notify us of your claim within 90 days of the date of loss or as soon as reasonably possible (except as otherwise allowed by law). If you do not report your claim within this time, we will not invalidate or reduce it unless the delay impairs our rights;
2. Make all reasonable efforts to minimize your loss (including without limitation making reasonable efforts to start, catch up to, or continue your trip; and promptly notifying your travel supplier upon discovering that you need to cancel or interrupt your trip, including being advised to cancel or interrupt your trip by a doctor);
3. Provide to us a signed, sworn proof of loss upon our request;
4. Provide all requested documentation (including without limitation proof of payment for claimed losses, statements and records from treating doctors, police reports, and information from travel suppliers);
5. Cooperate with us in the investigation of your claim; and
6. At our request, submit to examination under oath and/or provide a sworn affidavit.

**Assignment**
You can assign your rights under your policy by notifying us in writing. The assignment will not be effective until we receive the written notice. However, we will not recognize the assignment of any right or benefit under this policy to any person or organization engaged in the business of medical transportation unless we approve this assignment in writing and in advance. Any attempt to make such an assignment will be void as between you and us. We do not assume any responsibility for the validity of any assignment.

**Benefits Payable**
All benefits are payable to the first named insured on your Declarations or a party you designate in writing. If you are under 18 years old, benefits are payable to your parent or legal guardian or a party they designate. Benefits are limited to the amount of your loss and are subject to the applicable limit of liability and any deductible stated in the Declarations. If you die, benefits will be paid to your estate unless you have designated one or more beneficiaries. If you have named one or more beneficiaries, benefits will be paid to each named beneficiary in equal shares (unless you have designated otherwise). Except as described here, there are no other beneficiaries of any of the benefits under this policy. All dollar amounts described in this policy are expressed in U.S. dollars. If you have a loss, you will not be reimbursed twice for the same expense. For example, you cannot be reimbursed for the same expense under both Travel Delay and Trip Interruption coverages.

**Changes and Cancellation**
You or the policy purchaser may request changes to the policy by notifying us. You may request to change the return date at any time prior to your Coverage End Date. All other changes to your policy must be requested prior to your original departure date. If the change results in an increase in premium, you must pay the increase in premium. Any decrease in premium as a result of the change will be refunded to the policy purchaser. Any change will be effective immediately, so long as we have received any additional premium due. As noted above, we will refund your premium if the policy is canceled within 10 days of your original purchase, the trip has not started, and a claim has not been initiated. After this 10-day period, your premium is nonrefundable.
**Duplicate Coverage**
If you are covered by another insurance policy that we have issued with the same or similar coverage, we will pay no more than the highest amount of coverage payable under any one insurance policy. We will also refund any premium you have paid for duplicate coverage.

**Fraud and Misrepresentation**
You are responsible for all statements or other representations you make. Any materially misleading or inaccurate information in any statements or representations you make may result in us voiding your policy or reducing benefits, or we may use them to defend our decision about a claim.

Fraud is illegal and may subject you to criminal prosecution and civil penalties. We will deny your claim if you or someone acting on your behalf:
1. Makes any false statements or statements that are deliberately misleading or deceptive;
2. Conceals or misrepresents any material fact; or
3. Otherwise attempts or commits fraud.

**Medical Examinations and Autopsy**
We have the right to have you medically examined as reasonably necessary to make a decision about your medical claim. If someone covered by your policy dies, we may also require an autopsy (except where prohibited by law). We will cover the cost of these medical examinations or autopsies.

**Recovery**
We have the right to recover any amount you receive from us that exceeds the total amount of your loss unless prohibited by law.

**Resolving Disputes**
If you disagree with our decision about a claim, you can request to go to arbitration. If we agree, you can submit a dispute to desk arbitration at least 60 days from the date of that decision, but not more than ten years after the date of submission of claim. If arbitration will take place in person, it will take place in the county of your residence or place of business. If you have no residence or place of business, then the arbitration will be held at the circuit court of Cole County.

No action may be brought against us unless you have complied with all applicable provisions of this policy and such action is started within ten years of the date of the loss.

**Subrogation**
When someone is responsible for your loss, we have the right to recover any payments we have made to you or someone else in relation to your claim, as permitted by law. In such case, we may require any person receiving payment from us to assign their rights to recover such payment, including signing and providing any documents reasonably required allowing us to do so. Everyone eligible to receive payment for a claim submitted to us must cooperate with this process and must refrain from doing anything that would adversely affect our rights to recover payment.

**Travel Requirements**
You are responsible for meeting all requirements to travel, including obtaining required travel authorizations/documentation (for example, passports or visas), obtaining required immunizations (unless you are medically unable) and medical supplies/equipment (including verifying that your supplies/equipment meet your travel supplier’s requirements), and anything else required for you to travel.

**Waiver or Amendment**
No one has the right to describe our policy any differently than is described here or to change or waive any of its provisions.

A. Subject to the provisions of the Missouri Property and Casualty Insurance Guaranty Association Act (to be referred to as the Act), the Association will pay claims covered under the Act if we become insolvent.

B. The Act contains exclusions, conditions and limitations that govern a claimant’s eligibility to collect payment from the Association and affect the amount of any payment. The following limitations apply:

1. Claims covered by the Association do not include a claim by or against an insured of an insolvent insurer, if the insured has a net worth of more than $25 million on the later of the end of the insured’s most recent fiscal year or the December 31st of the year next preceding the date the insurer becomes insolvent; provided that an insured’s net worth on such date shall be deemed to include the aggregate net worth of the insured and all of its affiliates as calculated on a consolidated basis.

   If the insured prepares an annual report to shareholders, or an annual report to management reflecting net worth, then such report for the fiscal year immediately preceding the date of insolvency of the insurer will be used to determine net worth.

2. Payments made by the Association for covered claims will include only that amount of each claim which is less than $300,000.

   However, the Association will not:

   a. Pay an amount in excess of the applicable limit of insurance of the policy from which a claim arises; or
   b. Return to an insured any unearned premium in excess of $25,000.

These limitations have no effect on the coverage provided under this Policy.

These Agents may be affiliated or nonaffiliated, and may be located both inside and outside of the US. They may be financial services providers (e.g. underwriting insurers). Where we are subject to HIPAA, we must notify you of our duties and practices with respect to PHI. Under HIPAA, we may use and disclose your PHI for one or more of the following purposes:
(i) monitoring the health care treatment you receive (e.g. we may send or receive PHI to or from a doctor regarding your condition and treatment so we can see that your treatment is appropriate);
(ii) payment for health services (e.g. we may use your PHI to make payments to a hospital that has treated you);

Cookies are text files on your computer. When you access our website, we use cookies to collect data about your web usage. We also use Google, Inc.’s Google Analytics and AdWords services, iAdvize’s chat and monitoring service, and other similar third party vendor services. These services use cookies to transmit your IP address and other website navigation and usage data and device/browser-generated data. iAdvize also uses JavaScript to provide its chat and monitoring services. These vendors may provide this data to us or store and/or aggregate this data to analyze such usage and create reports for us. We, our affiliates and our Agents use such data and reports for our own business purposes (e.g. to provide customer service, to optimize the content you see from us, website improvement, other purposes stated in this notice, etc.) and Payment Card Industry Data Security Standard (“PCI”) compliance. These vendors also display our ads on sites across the Internet, and they may use this data to later display ads to you based on your website usage. By using our website, you consent to this use of cookies and data for these purposes. You can refuse cookies by disabling them in your browser (this may affect the content available to you). Our websites do not respond to “Do Not Track” requests from browsers.

Last, we may use and disclose the name, email address, or contact information of current and former customers to Agents for marketing administration purposes. For example, we may need to disclose the email address you provided to us to an Agent providing marketing services on our behalf to help ensure that your opt out choices are respected and that you do not receive duplicate communications.

Upon notification and consent your personal data may be used for other reasons. That notice will state the purpose for collecting and using the data, the types of non-Agent third parties to which we disclose the data, and the means we offer you to limit this. If we receive Personal Data from anyone in the EU or Switzerland, we’ll treat
that data according to the instructions such entity gives us regarding notices it provided and the choices made by the data subject.

2. **Choice.** We reserve the right to disclose Personal Data to third parties as described above. The law in some jurisdictions allows you the right to choose in some cases to opt out of us sharing your Personal Data with a third party or using it for purposes described or that is materially different from the purposes for which it was originally collected or which you later authorize. You may exercise this right by notifying the Privacy Officer at the information provided below. You may opt out of getting non-essential marketing communications from us by giving notice as described below and disabling cookies in your web browser. Except as required or allowed by law (e.g. for fraud prevention), we do not share, sell or otherwise disclose your Personal Data to non-Agent third parties or use it for any purpose other than for which it was originally collected or as you later authorize. If we ever wish to do so, we will give you the opportunity to opt out. If we wish to disclose your Sensitive Data to a non-Agent third party or use such data for a purpose other than for which it was originally collected or as you later authorize, we will only do so with your express consent. We will not unfairly discriminate against you for declining to provide this consent.

Except as allowed by law, we will not use or disclose psychotherapy notes, use or disclose your PHI for marketing purposes, or use or disclose your PHI in a way that would constitute a sale of PHI under HIPAA unless you expressly authorize us to do so. You may revoke this consent at any time. Such revocation will not apply to actions we have already taken based on that consent. You may request restrictions on our use and disclosure of certain health information for treatment, payment, or our operations. However, we are not required to agree to your request, except as required by HIPAA.

We may need to disclose Personal or Sensitive Data if we have a good-faith belief that it is needed to protect or defend our or your rights, interests or property or comply with any law or legal mandate, or if it is otherwise required or allowed by law. We will take reasonable care to disclose only as much of such data as is needed.

3. **Accountability for Onward Transfer.** We may disclose your Personal Data to our Agents, but only for the limited and specified purposes described here, consistent with the consent you have provided. We will take reasonable and appropriate steps to obtain assurances from our Agents that they will effectively process and safeguard your Personal Data consistent with our obligations under this Notice and the Privacy Shield (EU and Swiss residents only). Upon discovery, we will take reasonable steps to stop and remediate any unauthorized processing inconsistent with this Notice or the Privacy Shield (EU and Swiss residents only). With respect to EU or Swiss Personal Data we receive under the Privacy Shield and later transfer to an Agent, we are responsible for the processing of such data by that Agent. If such data is processed by that Agent in a manner inconsistent with the Privacy Shield Principles, we are liable unless it can be proved that we are not responsible for the event giving rise to any damages.

Our Binding Corporate Rules related to data transfers may be viewed here: [https://www.allianz-partners.com/allianz-partners---binding-corporate-rules-.html](https://www.allianz-partners.com/allianz-partners---binding-corporate-rules-.html).

4. **Security.** We take reasonable and appropriate measures to protect your data from loss, misuse, or unauthorized access, disclosure, alteration and destruction. These measures take into account the risks involved in the processing and the nature of the Personal Data. To help maintain the security of your data, we use administrative, physical, and technical safeguards. These include utilizing policies to take reasonable precautions to (a) securely and confidentially maintain your Personal Data; (b) assess and protect against threats and hazards to the security or integrity of such data; and (c) prevent unauthorized access to or use of such data. Also, except where required or allowed by law, we limit use of your Personal Data to the minimum necessary to accomplish the purposes for which that data was collected and to be used as described here. We restrict access to your Personal Data to only those who need to access it to accomplish those purposes. We use encryption to make your online transaction with us safe and secure. We protect the privacy of your credit card information with a high degree of care and in compliance with PCI. We are required by law to maintain the privacy and security of your PHI. If there is a breach as defined under HIPAA of your unsecured PHI, we are required by law to notify you.

5. **Data Integrity.** We will only collect Personal Data to the extent it is relevant to the purposes for which it was collected. We will not process Personal Data in a way that is incompatible with the purposes for which it has been collected or as you later authorize.
