Alaris Continues as the Official Litigation Partner of Kansas City Metropolitan Bar Association

Kansas City Metropolitan Bar Association (KCMBA), together with Alaris, announce the renewal of their Platinum Affinity Partnership through 2022, marking their 9th year in this exclusive partnership. KCMBA values the expertise and highest levels of customer service Alaris provides to the legal community and for that reason receives the unique designation as the Official Litigation Partner of KCMBA.

Debbie Weaver, Owner and Chief Executive Officer of Alaris said, “We are proud to continue our partnership with KCMBA. Nobody knew what 2020 would bring, yet, we stayed true to our core values of being resilient with change, adapting to new processes, and innovatively creating new methods to best serve our clients. We are very grateful that with all of these changes, our support of KCMBA and its members will continue to grow.”

At the Platinum level, KCMBA’s Affinity Partners provide the highest degree of customer service and product quality. KCMBA’s Platinum Partners are carefully and thoroughly screened by KCMBA’s staff, Executive Committee and Board of Directors to ensure members are presented with reputable companies and valuable services at a fair price. As a result, they receive the endorsement as KCMBA’s ‘Official’ provider of their category of goods or services.

Alaris provides a wide range of litigation-related services and is dedicated to working with law firms, corporations and government agencies to meet all of their litigation needs nationally and globally. With eight regional offices, including Kansas City and its headquarters in St. Louis, and over 250 nationwide affiliate partners, Alaris provides 24/7/365 customer support to meet all litigation needs across the globe. Additionally, as a Tier 2 business provider, Alaris can assist clients in meeting their organization’s diversity goals.

2021 KCMBA President Sam Wendt commented, “We truly value our close relationship with Alaris, and we particularly appreciate their involvement with KCMBA. I urge all KCMBA members to consider using Alaris for their litigation support needs as they are reliable and thorough with every customer.”

“Alaris’ expertise is further highlighted in a recent episode of KCMBA’s podcast, *In Re* KCMBA, titled Remote Litigation in a Global Pandemic, with Adam Weaver, Managing Director and Gene Miller, Trial & Media Services Manager, Realtime Systems Administrator. We hope you will check it out at inrekcmba.com.” said Vickie Mauck, KCMBA Executive Director.
